A Supporter may be called upon to help with campaigns, fundraising events and promotional activities. There is no financial liability for supporters but voluntary donations may be expected.

What are the Benefits?

Supporters will receive regular updates about developments within the organisation and in the mental health field generally.

Supporters will be invited to Annual General Meetings and can contribute to discussions but will not be entitled to vote.

Mind in Ealing and Hounslow

Mind in Ealing and Hounslow is a registered charity and is affiliated to MIND the National Association for Mental Health.

Mind in Ealing and Hounslow works to promote the interests and welfare of people with mental health issues who live in the two boroughs of Ealing and Hounslow.

The goal is to enable people with mental health issues to participate more fully and more independently in society. We do this by providing therapeutic and social programmes which support and equip users of the services with the skills they need to manage their affairs in the community.

Mind in Ealing and Hounslow runs 11 projects in the two boroughs. We have three supported housing schemes, five advocacy services, two day centres and one employment preparation project.

The services provided at our day centres include: certificated creative writing, art, sewing, alternative therapy, counselling, healthy living and information technology.

The Membership Scheme

Mind in Ealing and Hounslow is also a registered company limited by guarantee. This means that we are incorporated for non-profit making functions and also that in place of share holders, we have members. It is the members who constitute the organisation.

What are the Responsibilities?

One may acquire membership by making a cash contribution of five pounds. In the event of the company winding up, a member's liability is no more than their guaranteed membership contribution. It is our expectation that members will voluntarily make other donations to the charity and also support our promotional and fundraising activities.

What are the Benefits?

A member will:

- Receive regular news updates about developments within the organisation and in the mental health field generally.
- Receive copies of the Annual Report of the charity.
- Be entitled to vote at Annual General Meetings.
- Be eligible to be elected as a Trustee of the charity.
- Receive regular copies of the Mind newsletter - ***Straight to Mind***.
